Our Inquiry Project:

As designers, we need to create a learning space that helps us learn.

As our first whole school Inquiry Project comes to an end the children have explored what makes a great environment to Learn.

Here is what Year 2 came up with:

Designed by Ella, Yvonne, Samara, Tyana, Charlize & Eva

As designers, how can we create a learning space that helps us learn?

RELIGIOUS EDUCATION

Sunday, 24 Feb 2019: Seventh Sunday in Ordinary Time - Year C

Gospel Lk 6:27-38 Love your enemy.

REFLECTION

Perhaps one of the most difficult lessons to learn is forgiveness of those whom we consider our enemies, those who have wronged us. As challenging as this may be, the Gospel calls us to a very high standard: we must be merciful as God is merciful. If such perfection can become a reality in our lives, we will be able to forgive. Paul assures us that we can indeed attain such perfection, not by ourselves, but through the power of the risen Lord whose image we bear.

Paul plays with the theology of creation. In the beginning, we were made like the first Adam, earthly, limited, weak, concerned about the things of this world, and committed to our own well being. Through baptism we have been fashioned after the image of the second Adam, Christ the risen Lord. Being like Christ, we become godlike, empowered with his saving power, transformed with him into new beings. It is now in our power, which is really the power of the resurrection, to be merciful as God is merciful. In the risen Lord we experience a mystical transformation. From now on, all of our actions can flow from this new reality.

Transformed by the power of the resurrection, we are capable of unprecedented good works. We can live without retaliation; we can render good for evil. We can be prodigal in our generosity toward others; we can relinquish any rights of proprietorship that we might enjoy. We can live with others without unfairly judging them. We can be like God, boundless in our forgiveness.

Book Club 2019

Book Club ordering for 2019 will be going online!

You will still receive a catalogue to look through and select books from, however you will need to go online to place your order and make payment using Book Clubs LOOP. No longer will we be accepting cash orders in the school office. The books will still be delivered to school for free and distributed out to the children.

Attached at the back of this newsletter is a guide on how you can place your order online and make payment for the coming issues.

Safety Reminders

I have had a number of complaints this week about people not being considerate when parking in the Church Car Park and at the front of our school. These acts include:

- Parking and obstructing our neighbours driveways
- Doing three point turns once a child has been dropped off or picked up in front of the school.
- Parking in the middle spaces in the Church Car Park.

So I put the reminders in again in the hope that we can work together to keep our children safe.

Carpark Reminders

Just a gentle reminder for all those parents who park in the Church car park before or after school. Here are a few basics rules.

- All cars must **reverse into the car spaces** so that you have a clear view when driving out as people are going to their cars.
- Please **only park in marked car** spots to ensure good visibility.
- Please **don't park in the centre spaces** of the car park where the bollards are placed as cars parked here cannot move easily and block visibility of other drivers.
- **Please don't move the bollards.** These have been placed to make your children as safe as possible.
- Please don't just stop in the middle of the road if there are no spots. This causes a bank up of cars that causes angst among parents. You may need to go around the block and try again or park on the street and walk into the school to pick up your child.

SCHOOL NEWS

Drive Through

For those who haven't used this process before here are some handy hints:

- Cars line up in front of the school ready for a 3:10pm start.
- Drivers are asked to avoid the following: queueing across driveways and the crossing on Evan's Road.
- Drivers are asked to remain in their car at all times to avoid getting fined for parking.
- Drivers are asked not to ask children to move behind vehicles to put bags into the boot etc.
- All children must enter the car from the curb side and seatbelts must be fastened prior to driving.
- Please be patient and try to not overtake other cars once your child is in the car. This can cause accidents that can easily be avoided.
- Drivers are not to do three point turns across Cox Cres as this is unsafe and causes unnecessary congestion.

School Gates

Our school supervision begins at **8:30am**. Any students arriving by bus prior to this time will sit in the breezeway until the teacher comes to collect them. Children needing care prior to 8:15am, parents should consider after school care.

The bottom gate will now be locked until the teacher on duty comes to open it at 3:05pm. This gate will be locked again at 3:20pm once all students have been picked up from the pick up area.

Patience is a virtue that we need to embrace.

Parent Information Night

Thanks so much to all of the talented staff that we have at St Bernadette's for giving up their family time to come and share their routines etc. As usual we had a large group of our parents attend and we thank you for your support.

Enrolling Now!

On the 8th March at 10:15am we are having an Open Day where any families looking to enrol their children for 2020 are invited.

LEARNING MATTERS

As teachers we are often asked, "how can I help my child at home?"
I thought this article may be an interesting read.
